Add Two-Digit Numbers with a New Ten

Grade 1 Math | Adding Tens and Ones

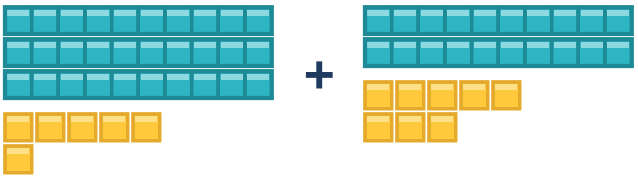
Name: _____ Date: _____

Add two-digit numbers.

Make a new ten when you need one.

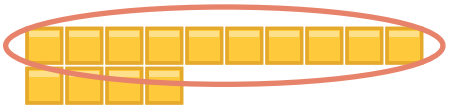
36 + 28 = 64

Start with the two numbers.



Step 1: Put the ones together.

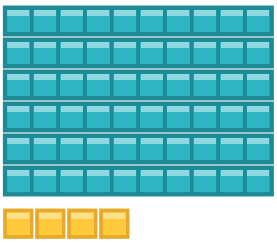
Step 2: Circle 10 ones.



Step 3: Trade 10 ones for 1 ten rod.

4 ones left

Step 4: Count: 3 tens, 2 tens, and 1 new ten make 6 tens.



Tens	Ones	Sum
6	4	64

47 + 35 = ?

Circle 10 ones.

New ten rod:

Tens	Ones	Sum
