A Globe Is a Model of Earth

Name: _____ Date: _____

A globe is a small model of Earth.

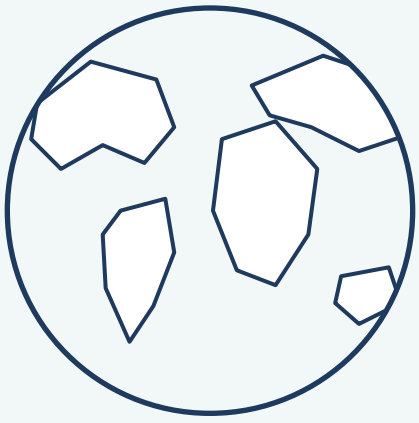

EARTH

A GLOBE

Both show Earth's land and water.

Color this picture of Earth.

- **WATER — color it blue.**
- **LAND — color it green.**
- ★ **Draw a star on the land. We live on land!**

Adult: Earth is the planet we live on. A globe is a model — a small copy that shows the same land and water.
