# Pushes & Pulls

## My Motion Discovery

Name: _____ Date: _____

## Ask a question. Test it. Tell what you found!

**My question:** _____

### What I tested

### What I saw

### I found out:

_____

_____

**Adult: Question ideas: “Will a heavy box move?” “What rolls down the ramp?” Test together with safe household objects. Write your child's question and their exact words for “I found out.” Drawing is the record; talking is the science.**
