Build a Picture Graph

Grade 1 Math | Data & Graphing

Name: _____ Date: _____

Cut out the animal tokens.

Paste one token for each vote.

Votes:

Dogs	𝍸 ||	7
Cats	𝍸	5
Fish	|||	3

Each token means 1 vote.

WORK AREA: Paste the tokens here.

Dogs

Cats

Fish

CUT-OUT AREA

dogs

cats

fish

Compare the Groups

Grade 1 Math | Data & Graphing

Name: _____ Date: _____

Look at the graph. Fill in each sentence.

Each picture means 1 vote.

Cars

Teddy bears

Blocks

Cars have ☐ **more than teddy bears.**

Blocks have ☐ **fewer than cars.**

Cars and blocks together make ☐

A helpful way to compare:

Match one to one.

The extra one shows how many more.

Ask and Graph

Grade 1 Math | Data & Graphing

Name: _____ Date: _____

Ask people: What is your favorite fruit?
Write tallies. Then make the graph.

Fruit	Tally	Number
Apple		
Banana		
Orange		

For each fruit, color one box for every person who chose it.

Apple

Banana

Orange

1. Which fruit got the most? _____

2. How many people did you ask? _____
