Living Things

Why This Habitat?

Name: _____ Date: _____

Draw a line from each need to the pond!

WATER

FOOD

A SAFE PLACE

The pond is a good home for the frog because:

_____

_____

Adult: The frog needs water to swim in and keep its skin wet, bugs to eat, and plants to hide under. Check that each line lands on its evidence in the picture — the water, a bug, the lily pads. Then scribe your child's exact words after “because:”
