Living Things

Watch It Grow

Name: _____ Date: _____

Plant a seed. Draw it and measure it each time!

My seed: _____ **Planted on:** _____

Date: _____

How tall?
Color the cubes.

Date: _____

How tall?
Color the cubes.

Date: _____

How tall?
Color the cubes.

Date: _____

How tall?
Color the cubes.

Adult: A bean seed in a clear cup works well. Each visit: write the date, draw the plant just as it looks, then stack cubes beside it and color one cube for each cube in the tower. Record only what you really see.
