Pushes & Pulls

Gentle Push, Strong Push

Name: _____ Date: _____

Same ball. Same floor. Two pushes!

Use the SAME ball on the SAME floor both times.

Push 1: gentle.
Measure with cubes.
Push 2: stronger.
Measure again.

Push 1 — GENTLE

Color one square for each cube.

Push 2 — STRONG

Color one square for each cube.

I noticed:

_____

_____

Adult: Mark where the ball starts so both pushes begin at the same spot. Write your child's exact words for "I noticed." There is no printed answer — the measurements your child made are the result.
