Pushes & Pulls

My Motion Discovery

Name: _____ Date: _____

Ask a question. Test it. Tell what you found!

My question: _____

What I tested

What I saw

I found out:

_____

_____

Adult: Question ideas: “Will a heavy box move?” “What rolls down the ramp?” Test together with safe household objects. Write your child's question and their exact words for “I found out.” Drawing is the record; talking is the science.
