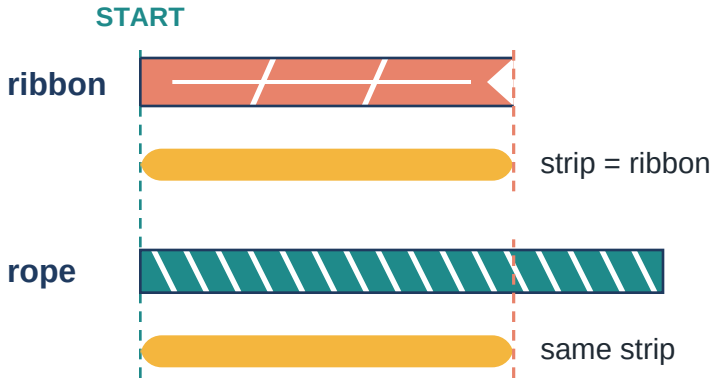
Compare Without Moving

Grade 1 Math | Length

Name: _____ Date: _____

Use the strip to compare. Do not move the objects.

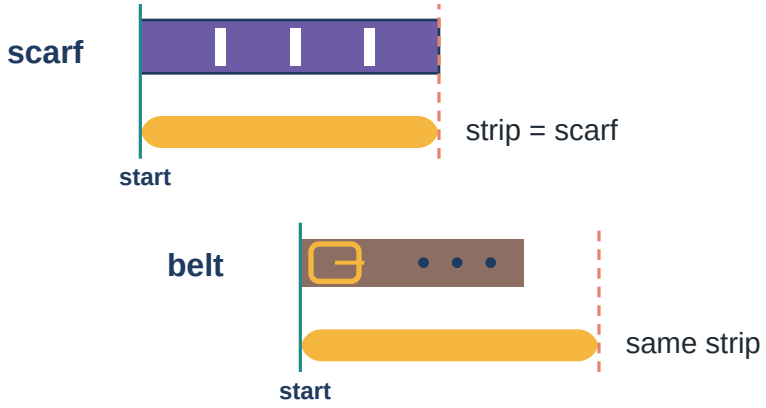
Watch how it works.



The strip is too short. The rope is longer!

Now you try it!

Use the strip. Circle the longer object.



Scarf

Belt

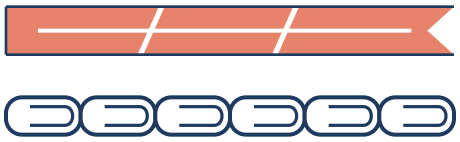
Order Three by Length

Grade 1 Math | Length

Name: _____ Date: _____

Count the paper clips for each ribbon.
Write 1 for the shortest, 2 for the middle, and 3 for the longest.

Ribbon A



clips ☐ order ☐

Ribbon B

clips ☐ order ☐

Ribbon C

clips ☐ order ☐

Check what you learned. Tick the true sentence.

- ☐ The longest ribbon has the most paper clips.
- ☐ The shortest ribbon has the most paper clips.
