Pushes & Pulls

Stop or Turn!

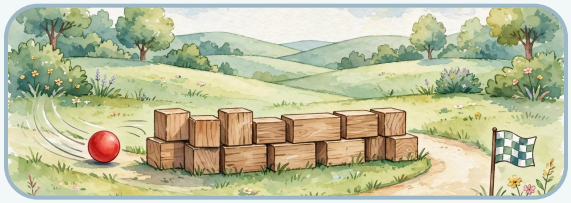

Name: _____ Date: _____

Choose a job. Build it. Test it!

1. CHOOSE your job — circle one:

STOP the ball

TURN the ball

2. DRAW your design:

You can use: BLOCKS BOOKS CARDBOARD PILLOW

3. TEST it 3 times. Circle what happened:

1	2	3
◯ WORKED!	◯ WORKED!	◯ WORKED!
◯ NOT YET	◯ NOT YET	◯ NOT YET

4. Tell a grown-up: Did it work?

_____

Adult: Fair test — same ball, same ramp or same gentle push, rolled the same way all 3 times. Scribe your child's exact words. If it did not work, change the design and test again: that is what engineers do.
