Maps, Globes & Places Near Us

A Map Is a Drawing from Above

Name: _____ Date: _____

Many maps show places as if we are looking down from above.

FROM THE SIDE	FROM ABOVE
 A house	 A car
 A tree	 A house
 A car	 A tree

Adult: A map is a drawing that shows things from above — the way a bird sees them. From above we see a roof, the top of a car, and the top of a tree.
