Pushes & Pulls

Let's Roll!

Name: _____ Date: _____

Build a ramp. Roll 3 things. Record how far!

You need: a board or big book, books to lift one end, cubes, and 3 things that roll.

1. **Roll one thing down the ramp.**
2. **Lay cubes from the ramp to where it stopped.**
3. **Draw it. Color its squares.**

What I rolled	How far it rolled (in cubes)
Draw it here	Color one square for each cube.
Draw it here	Color one square for each cube.
Draw it here	Color one square for each cube.

Adult: Keep the ramp the same for all three rolls. Objects roll different distances — that is the observation. Ask: "Which rolled farthest? How do you know?"
