Taking Care of
Our Earth

Name: _____ Date: _____

Think of a problem. Draw your fix!

Ideas to help you think:

My problem is: _____

DRAW you fixing the problem:

My action helps because:

_____

_____

Adult: Help your child pick a REAL problem they have seen — at home, at school, or at the park. They draw themselves fixing it, then explain HOW the action helps the land, water, air, or living things. Scribe their words.
